Liquidators' charging policy for remuneration

The members have determined that the Liquidators' remuneration should be fixed on the basis of time properly spent by the Liquidators' and their staff in attending to matters arising in the liquidation.

Work carried out by all staff is subject to the overall supervision of the Liquidators.

All time spent by staff working directly on case-related matters is charged to a separate time code established for each case. Time is charged in units of six minutes. Each member of staff has a specific hourly rate, which is subject to change over time. The average hourly rate for each category of staff over the period is shown below as are the current hourly rates used. The current hourly rates may be higher than the average rates, if hourly rates have increased over the period covered by this report.
